

The 3 unique ways!

The importance of physical and mental wellness has become more and more important the past decades and will continue to be a larger and larger part of every individual's life in the near future. The foundation in GoSmarts concept are made from the 3 ideas that we believe will be the lead of the future.

1 Business Model

GoSmart does not only aim to support the healthy adaptation of people's wellness, physically and mentally, but also to inspire the younger generation to experience a free and open-minded work environment where new ideas and methods can be made into reality. Gosmart organization invites young people to be partners I the company by using knowledge instead of money as investment.

2 Franchise

The vision is that GoSmart concept should be for everybody!

Therefor a franchising concept is developed to expand and "give people the ability to healthy choices according to diet and habits anytime anywhere"!

The foundation in the GoSmart concept allows anybody with healthy habits to invest and run franchise to inspire by practice what You preach!

A GoSmart store is one man show and only needs 4 hours work effort per day to be very profitable and allow the franchisee to both preach and practice!

3 Stores
