

The 3 unique ways!

The importance of physical and mental wellness has become more and more important the past decades and will continue to be a larger and larger part of every individual's life in the near future. GoSmart is a concept to inspire to healthy habits by creating meaningful environments with easy access. *"We bring together people"*

1 Business Model

We inspire the younger generation to experience a free and open working environment where new ideas and methods can be realized. The Gosmart organization invites mainly young people to become partners by using [knowledge instead of money](#) as an investment, of course the traditional capital investors continue to be the key for a quickly establishment on the market.

Our philosophy is that the best in life should be cheap, inspiring and easily accessible, so we start to establish mainly in Southern Europe, Greece, Montenegro, Bulgaria, Spain, Portugal, Poland and Sweden.

2 Franchise

The vision is that GoSmart should be for everyone!

Therefor a franchising concept is developed to expand and "give as many people as possible the easy access to healthy-inspiring habits anytime anywhere"

The foundation in the concept allows anybody with healthy habits to invest and run franchise to inspire by practice what You preach!

A GoSmart store is one man show and only needs 4 hours work effort per day to be very profitable.
